

## MEET GRANT THORNTON!

Please join Grant Thornton and Women in Technology (WIT) for *Meet The Company – Grant Thornton*. Connect with our leaders and learn about our services, solution offerings, culture and career opportunities.

You'll be able to learn about how we leverage cutting edge technology and in-depth analysis to provide meaningful insights and add value for our clients - both in government and the private sector. Grant Thornton helps dynamic organizations create, transform, and protect value in order to tackle complex problems and prepare for the future.

Hope you will join us - we're excited to meet you!
